Stunning beauty, lasting durability, 100% Waterproof

NexxaCore™ Engineered Vinyl Flooring is the next generation flooring for your residential and commercial project. Using 5 proprietary components, we combine the look and feel of natural floors with the durable, waterproof elements of resilient floors. Installing in high-risk areas such as kitchens, bathrooms, hair salon, and offices are now possible.

NexxaCore™ features a Uniclic® locking system for easy installation and a complete line of waterproof trim moldings, including a 4 1/2' flush stair nosing.

Colors are designed to be close representation of the actual product. The finished flooring may contain varying color of inlays, veining, spots, creases, scratches, color variations, staining, and other varying light sources resulting in varying color when viewed differently. It may appear differently than the actual floor in appearance.

SCS Global Services does hereby certify that an independent assessment has been conducted on behalf of:

Linco Enterprises

13626 Monte Vista Ave., Unit B, Chino, CA, United States

For the following product(s):

Vinyl Tile

NexxaCore Engineered Vinyl Flooring

The product(s) all of the necessary qualifications to be certified for the following claim(s):

FloorScore®

Indoor Air Quality Certified to SCS-EC10.3-2014 v4.0

Conforms to the CDPH/EHLB Standard Method v1.2-2017 (California Section 01350), effective April 1, 2017, for the school classroom and private office parameters when modeled as Flooring.

Measured Concentration of Total Volatile Organic Compounds (TVOC): Less than/equal to 0.5 mg/m³ (in compliance with CDPH/EHLB Standard Method v1.2-2017)

Registration # SCS-FS-04718

Valid from: October 27, 2017 to March 31, 2018

SCS Global Services is currently the only certification body approved by the Resilient Floor Covering Institute (RFCI) to provide FloorScore® product certification; certified products are only listed on the SCS Green Products Guide, <http://www.scsglobalservices.com/certified-green-products-guide>.
